

Keeping Each Other Safe

Please respect and follow the various Covid-19 precautions required by the Government, England Netball and our venues. Without them, and without your cooperation, we will not be able to get our players back where they belong on a Netball Court!

Reminders:

- Please arrive as close as possible to start time as we have a 10/15-minute changeover for safe exit and entry.
- We are training outside so please wear/bring appropriate clothing
- Parents can view when training outside but no-one is allowed in the sports hall viewing gallery.
- Please bring hand sanitiser as we have to sanitise every 15 minutes.
- No need to bring your own Netball as we can now pass and club Netballs will be available.

You need to be affiliated to England Netball –
