

The Red Buzz

“The health and safety of the Netball Family is our main priority and to avoid the spread of Coronavirus we will be continuing to follow the government’s advice, which is to move away from mass gatherings and for the public to avoid any unnecessary contact where possible over the coming weeks”. England Netball

We’re so sorry that our netball season had to come to an early close, but obviously keeping each and every member of our club healthy is most important. Do join in with our weekly virtual training sessions – see our new Facebook page - 'Virtual' Spire Reds Netball Club! Do keep fit!

Club Results

Yet again, our teams have really made us proud this season, with so many results to celebrate.

Our final Southampton League results:

Our **U13** team came 9th (first season for this squad and had just started to get the wins!)

Our **U14** team came 2nd (won 4/6, drew 1 and lost 1. Just 4 points short of the winners)

Our **U15** team came 1st (clear winners by 8 points, winning 6/8 and drawing 2)

Our **U16** team came 4th (won 4/8 with only 7 points between 4th and 1st so tight at the top!)

Our **U16** team had great experience playing in the Regional South-West League, finishing 2nd.

Also, our teams in the Roses League played their hearts out, especially Spire Ice Bee Netballers who were unbeaten and scored a whopping 235 goals! **WELL DONE TO EVERYONE!**

Social Media

You can now find us on Facebook & shortly on Instagram

Contact - Please do get in touch with any queries to redsnetball@live.co.uk

Recent successes to celebrate!

 **Sue** has passed her Level 2 EN coaching course

 **Karen** has passed her Level 2 EN coaching course

 **Karen** has been nominated for SW Coach of the Year

 **Caroline** has been nominated for SW Official of the Year

 **Leonie** has achieved her C Award in umpiring

 We have 2 players (**Nadia & Jas A-Fry**) working towards their level C youth umpire awards.

Safeguarding

Everyone has a part to play in ensuring that the young people in our netball club are safe and getting the most they can from their involvement in the sport. All of our up-to-date policies are on our website – see <http://www.spirered.com/our-policies.html>.

Lynsey Hearsey is our nominated Safeguarding Officer. If you have ANY concerns, please raise them with her.

Spires Adults

This team have also had an amazing season and are currently top of the Salisbury Winter League – well done!

Trainers

Please, please remember to check your daughter's trainers regularly—not just for size, but more importantly, whether they still have plenty of tread. This tread & grip is your daughter's traction on the court & therefore her safety—if they look smooth, they need replacing!

Warm Up Stand

This fundraiser had a record-breaking year. Thank you to those of you who braved the cold and helped raise money for our club!
