			Guidance			<p>Reduce use of public transport. If have to use public transport wear a fresh mask each time. Walk, cycle and use private vehicles.</p> <p>Electronic Class register to be maintained and made available for track and trace purposes. This is managed via SPOND.</p> <p><u>Private cars and other vehicles</u> If you normally share a vehicle with people from other households for essential journeys, we recommend you find a different way to travel. For example, consider walking, cycling or using your own vehicle if you can.</p> <p>If you have to travel with people outside your household group, try to share the transport with the same people each time and keep to small groups of people at any one time.</p>		
			Session Impact					
			In an outdoor environment a sanitising wipe process will be used to make cleaning equipment efficient.			<p>There is a no contact policy for interactions with children, coaches and parents. This means no handshakes, high fives, fist bumps, elbow bumps, etc. used traditionally to provide encouragement and reward.</p> <p>Cones/spots marked on the ground to outline exercise coaching points. To be</p>
